Dear Sir:

I have to advise that I am now in receipt of a letter from the Marine Superintendent of the Dominion Steel Corporation stating that they have now definitely decided not to apply for the re-classification of their steamer "LORD STRATHCONA". They state they feel bound to continue the vessel's class in the British Corporation in view of them granting a temporary certificate to enable the vessel to return to their home Port. I am rendering an account to cover the cost of cablegrams in regard to this case.

I am, Dear Sir,

Yours faithfully,

*J. Mack*
