Dear Sir,

Re:- S.S. "LORD STRATHCONA" LONDON

We confirm cables exchanged, and regret to hear that your Committee cannot agree to allow the repairs of this steamer to remain until she comes to this side.

We fear it will be impossible to complete the repairs in time to bring her out to Canada before the close of navigation, but we have advised the Dominion Coal Company and they are no doubt communicating with you through their agents in London.

Thanking you for your prompt attention to this matter, and with kind regards from our Senior, we are,

Yours very truly,

THOS. HARLING & SON LIMITED.
