BWLT Enclosure

4th August, 1925.

Dear Sirs,

S. With reference to your report No. 21423 of survey held on the steamer "LORD STRATHCONA", during December/July last, I think it well to enclose herewith a copy of a letter which has been received from Messrs. C.W. Kellock & Co., Ltd. of this City, and shall be glad to be furnished with any remarks you may have to offer thereon.

I shall at the same time be glad to learn what repairs, if any, are required to the damaged plating referred to in your report, and which are not included in Messrs. Kellock's letter, before the vessel again loads a cargo, and what are your recommendations in regard to any repairs which you may consider may be left in abeyance.

I am, Dear Sirs,
Yours faithfully,

Assistant to the Secretary.

The Surveyors,
NEWPORT.
