Lloyd's Register of Shipping.

Port

OF MELBOURNE,

15th January, 1942.

This is to Certify that I have

surveyed the ~~Boiler~~ and Machinery of the M.S. "E L S A" -
381 tons gross of Oslo, for part Continuous survey,

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have
been carried out to my satisfaction, and that I have
recommended that the record of  L.M.C. - C.S. with date,

made in the Register Book in the case of this vessel when
the survey has been completed.

Parts now examined:—

Nos. 1 & 2 cylinders, pistons & rods, side rods
and bearings & transverse beams.

The forward intermediate shaft bearing.

The lubricating oil cooler.

(Sgd.) P.A. McINTYRE

Engineer Surveyor to Lloyd's Register.

Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of
Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
