

7. Schichan

Shipbuilders: Messrs. *International S.B.E. Co.*

Yard No. 1419

Engineers: Messrs. *Mannemann Rohrenwerke*

Engine No.

Fusion welded steam collector.

It is submitted ~~that the plan of~~ *Duneldray Surveyors*
be informed that the contents of their letter merit approval
for of the 11th inst. have been noted and in the circumstances
provided no objection will be taken to the proposal to forward
positives made from X-ray negatives of the welded seams of this
steam collector, representing the average and the worst negatives
obtained, the negatives themselves being examined by the local
representative of the Reichs-Röntgenstelle and the Duneldray
Surveyors.

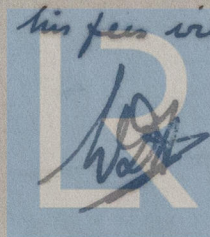

It is concluded that a certificate in respect of these
negatives will be issued by the local representative of the
Reichs-Röntgenstelle and that his fees will be paid by the firm.

Return plan.
