further communications
on this subject to
THE PRINCIPAL SURVEYOR

H&F

Dear Sir:

I duly received your letter of the 19th ultimo with its enclosures respecting the case of the Motorship "LA CORDILLERA", the contents of which have been noted.

Inquiry has been made through the British Ministry of War Transport regarding the prospective arrival of the vessel at New York, but they inform me that she will not be coming to a United States port. However, arrangements will be made for the case to receive the necessary attention in the event of her coming under survey here.

I am, Dear Sir,

Yours faithfully,

Principal Surveyor
U.S.A. & Canada.

The Secretary,
WOKINGHAM.
