Private & Confidential

Dear Mr. Scott,

I have your letter of the 30th ultimo enclosing copy of your letter regarding the s.s. "ZONNEWYK" addressed to Mr. Dekkers Senr. to hand and have learned to-day that Messrs. Dekkers have sent you a reply enclosing copy of a letter addressed to their solicitor at Glasgow.

I regret very much to state that I find Messrs. Dekkers very dissatisfied about the case, so much so that they still remain of the opinion that this trouble might have been avoided and that thereby they are forced by the Society to pay the amount to obtain the vessel's class. They still maintain that the paying of the fees is a matter between the Society and the builder and that on no account should the Owner have to suffer by it, if in a case like this the builders do not pay.

They have requested me to ask you to issue the certificate and send them to our Office so that they may be ready in case they desire them.

I am, Dear Sir,

Yours faithfully,

A. Scott, Esq.,
LONDON.
