22nd October, 1928.

Dear Mr. Leeuwenburg,

I am favoured with your letter of the 20th instant, with reference to mine of the 10th instant, regarding the fees due for the special survey during construction of the s.s. "ZONNEWYK" with a view to classification in this Society's Register Book.

I would suggest that the best course for Mr. Dekkers to adopt will be for him to pay the fees and to send in a claim in respect thereof to the Liquidator, Mr. Thomson Liddell m'Lintock Chartered Accountant, of 216, West George Street, Glasgow. This will enable the classification of the vessel to be given, and Mr. Dekkers, if he has already paid his last instalment without obtaining the production of the Classification Certificates, will be able to recover whatever amount will be payable from the estate.

I understand that there will be a meeting of the creditors on Wednesday, 31st October, so that if I may suggest it it would be well to have the matter dealt with without delay.

Yours faithfully,

R. Leeuwenburg, Esq.,  
ROTTERDAM.
