High Close,

Wokingham, Berks.

13th December, 1941.

Please address  
further communications  
on this subject to  
**THE SECRETARY**  
and quote the following  
initial.

H. & F.

S.S. "WIGRY".

Dear Sir(s),

I am directed to acquaint you that in accordance with the arrangements at present in force for the substitution of Special Periodical Surveys by successive General Examinations at twelve-monthly intervals, a General Examination for maintenance of class of the above-named vessel will require to be held before the end of **March next** and I shall be glad to learn, for the information of the Committee, when and at what port it is proposed to submit her for the requisite inspection.

At the same time I think it well to remind you that the vessel's Freeboard Certificate will expire on the **31st March 1942** and you will doubtless wish to arrange for the necessary Freeboard Survey to be held in conjunction with the above General Examination, with a view to the renewal of this certificate.

I am, Dear Sir(s),

Yours faithfully,

Messrs. Sidney C. Ross & Co.,  
14, Bury Street,  
LONDON, E.C.3.

Secretary-Surveyors

P.S. At the same time I beg to inform you that the Society's /  
at London recommended in October last that the rudder, welding on  
bridge front doubler port side, and hatch side stiffeners, (found  
corroded), should be dealt with at the above General Examination.
