- (2) Whether you are correct in reporting the size of the face angles on the side stringers as 6" x 3½" x .36".
- (3) Whether built pillars are fitted at the ends of the hatchways as shown on the approved plan.
- (4) Whether the inner surface of the bottom plating is covered with cement, and if not, whether this has been omitted at the Owners' request.

I have also to request that you will forward the plan showing the bulkhead stiffening.

I am, Dear Sir,

Yours faithfully,
