Received from Chief Ship Surveyor

9 DEC 1939

VESSEL'S NAME "RIFSNES". Rpt. Hul. No. 50379.

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement." - Extract from Sub-Committee's Report, 24/5/92.)

The Hull Surveyors report this trawler examined for condition on a slipway on release from Admiralty service.

The bottom has been coated.

Shell plate E7, starboard side, found indented, but efficient meantime, is recommended to be faired at the Owners' convenience.

It is submitted the vessel appears worthy to remain as classed with record of survey 11,39, subject as recommended.
