Lloyd's Register of Shipping,

High Close,

Wokingham, Berks.

29th December, 1939.

Dear Sir,

H.

I duly received your letter of the 16th instant relative to the surveys outstanding in the case of the trawler "THOMAS BARTLETT", and it is noted that this vessel has been requisitioned for war service and that the Owners in consequence can do nothing as regards these matters.

I may say that in the circumstances the Committee have deferred the further consideration of this case for the time being.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

C.E.Wilks Esq.,

MILFORD HAVEN.
