Dear Mr. Cobb.

Yours of 22.

Retaslon. Col. Lihgord's reply
is what I expected. Now
he wants to know what Mr
Cobb proposes to put before
the Technical Committee.

I am sorry to hear about Miss
Storby. I am quite ready to
come up on Wednesday. Take
Thursday morning but you
must let me know on Tuesday
if you think I should come.

It is so very hot but
very beautiful in between
lulls although it upsets some
plans for picnics.

Yrs sincerely

Herbert A. C. Van

Retaslon. Slater had not
had time to get him.
