Enclosure.

22nd August, 1924.

Dear Mr. Scrutton,

I enclose a letter which has been received from Colonel Lithgow in further reference to the case of the "GRETASTON". I have acknowledged it and told him that he may rest assured that his remarks will receive most careful consideration.

Sir Thomas was not in this morning, owing to his daughter's condition not being quite so satisfactory, but I understand that he hopes to be in on Monday. Mr. Glover deal with a few cases that required attention today, and of course he is available every day.

The weather here remains somewhat unsettled.

Yours sincerely,

J. Herbert Scrutton, Esq.,
Rosemullion Hotel,
BUDLEIGH SALTERN,
South Devon.
