16th August, 1924.

Dear Mr. Scrutton,

I am favoured with your letter of the 15th instant, and note what you say on the several subjects referred to therein.

"GRETASTON." I thought I did send a copy of my letter to Colonel Lithgow, but I now enclose it. He has not yet replied.

I will send him the detailed information which we have on the subject.

With kindest regards,

Yours sincerely,

J. Herbert Scrutton, Esq.,
