

COPY. Secretary.

8th August, 1924.

Dear Mr. Scrutton,

"GRETASTON".

I am favoured with your letter of the 7th instant, and in reply have to say that the difference in thickness of plating in the part affected between British Corporation and Lloyd's Register is .04".

Yours sincerely,

J. Herbert Scrutton, Esq.,  
Rosemullion Hotel,  
BUDLEIGH SALTERN,  
South Devon.
