25th June, 1924.

Dear Dr. Montgomerie,

I am favoured with your letter of the 24th instant, in reference to the case of the S.S. "GRETASTON", and note what you say regarding somewhat analogous cases which occurred and were dealt with by alterations to the Rules in 1906.

The Deputy-Chairman, to whom I have shown your letter, desires me to say that he is very much obliged to Mr. Denholm and you for calling attention to these cases.

It may interest you to see a print giving the details of the cases, and I enclose a copy herewith, together with a copy of the Technical Committee Report adopting the recommendations of the Chief Ship Surveyor on the subject.

Yours faithfully,

James Montgomerie, Esq., D.Sc.,

GLASGOW.
