Secretary

17th June, 1924.

Dear Colonel Lithgow,

I am favoured with your letter of the 16th instant, which I have shown to the Chairman and Deputy-Chairman, who quite agree with you that it will be preferable for Dr. Montgomerie not to see Mr. W.S. Miller, the owner of the "GRETASTON", with a view to explaining the Society's point of view in the matter, and I am writing to Glasgow accordingly.

We are very much obliged to you for having raised this point, and with kindest regards,

I remain,

Yours faithfully,

Lieut.-Col. James Lithgow, M.C.,

Kingston Shipbuilding Yard,

PORT GLASGOW.
