17th June, 1924.

Dear Sir,

D.

With reference to my letter of the 13th instant, regarding the case of the steamer "GRETASTON", I have to state that a later communication has been received from the builders on the subject, and as the matter is being further looked into it is considered that in all the circumstances it will be better for Dr. Montgomerie not to see the owners at present, as was suggested in my letter of that date.

I shall be glad if Dr. Montgomerie will therefore be guided accordingly.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

GLASGOW.
