Dear Sirs,

D. With reference to the case of the S.S. "GRETASTON", which steamer is now under your survey, I have to request that you will be good enough to endeavour to obtain full particulars of the loading, bunkering and ballasting of the steamer outwards and homewards, and particularly to make clear the conditions of loading at the time that the damage now complained of was noticed.

If you are unable to obtain these particulars, I shall be glad to hear from you immediately, in order that the matter may be taken up direct with the Owners.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

HULL.
