Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

25th April, 1924.

Dear Sir,

S.

I am in receipt of your letter of the 24th instant intimating that the Owners of the Steamer "GRETASTON" state that this vessel has developed a buckling in the bridge deck plating, and it is noted that, with the consent of the Chairman of the Glasgow Committee, Mr. R. D. Cairns has proceeded to Hull to join the local Surveyors in making an examination of the Steamer.

A report from the Surveyors is awaited in due course.

I am, Dear Sir,

Yours faithfully,

AS.

Secretary.

The Secretary,
GLASGOW.

J.H.
