High Close,

Wokingham, Berks.

21st May, 1940.

R Dear Sirs,

I beg to acquaint you that according to confidential information received at this Office, the steamer "MATAKANA" is reported to have stranded on Mayaguana Island, West Indies, on the 1st instant, and to have become a total loss.

It is, therefore, proposed to omit her name from the forthcoming edition of this Society's Register Book, but before doing so I shall be glad to have your confirmation that she has been abandoned as a total loss by all concerned.

An early reply will be much appreciated as preparation of the forthcoming edition of the Register Book is now well advanced.

I am, Dear Sirs,
Yours faithfully,

Messrs. Shaw Savill & Albion Co. Ltd.,
