

Barclay, Curle & Co. No. 540.

Shell Plating.

It is submitted that approval be given to the coating of the bottom plating inside double bottom, except in the Engine and Boiler space, with bitumen by Messrs. Cails Bitmo Co. Ltd., of Cails Buildings, Newcastle-on-Tyne, this material having been used in several previous cases. The bottom in the Engine and Boiler space should be coated with Portland Cement in the usual manner.
