17th May, 1938.

Dear Sir,

M.

I duly received your letter of the 13th instant regarding the motor seating of Messrs. Wm. Denny & Bros' Yard No. 1333, and the contents have been noted.

With regard thereto I have to state that the scantlings as shewn and amended on the plan of motor seating have been examined, and in view of the close similarity of this seating with that of the same Builders' No. 1330, it is thought that the proposed amendments might be modified in places, and for the Surveyors' guidance suggestions have been indicated in pencil on the plan.

The seven plans forwarded with your letter are being returned under separate cover.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,
GLASGOW.
