

Messrs. Wm. Denny & Bros' Yard No. 1333.  
-----

Motor Seating.

It is submitted the Glasgow Surveyors be informed that the scantlings as shewn and amended on the plan of motor seating have been examined, and in view of the close similarity of this seating with the same Builders' No. 1330, it is thought that the proposed amendments might be modified in places, and for their guidance suggestions have been indicated in pencil on the plan.
