Winterthur, 6th February, 1939.

yard No. 1333

Reference

Dear Sir,

3 Plans

Eng. No. 23335 to be constructed by Wm. Denny & Bros., Ltd., Dumbarton, and Eng. No. 23342 to be constructed by Sulzer Bros., Winterthur, for Twin Screw Vessel to be built by Wm. Denny & Bros., Ltd., Dumbarton. Eng. type 7 TS 48.

I beg to forward, under separate cover, for the consideration of the Committee, Plan No. 787593, in triplicate, showing crankshaft, flywheel and thrust shaft, and scavenge pump crankshaft proposed by Messrs. Sulzer Bros. for the above machinery contract.

A preliminary drawing of the crankshaft has been approved 15th March, 1938, and a full data sheet was forwarded with Plan No. 786803 at that time.

Kindly return two copies of Plan No. 787593 at your convenience.

I am, Dear Sir,

Yours faithfully,

J. Buchanan

The Secretary,
LONDON.
