

W285-026A

PUMPING ARRANGEMENT Endorsement.

Shipbuilders: Messrs. *Wm Denny & Bros Ltd*

Yard No. *1333*

Engineers: Messrs. "

Engine No. *1083*.

Owners: Messrs.

It is submitted that the plan of *Bilge & Ballast*  
~~Piping~~  
~~Pumping~~ Arrangement *in Machinery Space*

merits approval, provided the arrangements be as  
shown and amended on the plan and the remaining  
requirements of Sections 20 and 34 of the Rules (1937-8)  
be complied with so far as they are applicable.

*It is noted from the plan that there is no  
provision for the S.O.S. pump direct bilge suction  
shown on the approved plan of general pumping  
arrangement. Accordingly it will be necessary for  
a bilge injection or an additional direct bilge suction  
to be fitted as now indicated in red on the plan  
in order to comply with Sec 7-61 of the Rules  
for Heavy Oil Engines.*

Return plan (also reference plan)

Retain copy.
