S i r ,

As it is expected that the repairs to the s.s. "TAIREA" will be completed in about a month's time I shall be glad to have your remarks as to the fees to be charged in this instance. The repairs have been extensive and the number of visits is large, about 35 to date; in addition the total expenses incurred on this case, and paid out of the Society's funds here are Rs 2,553/12/-. These include my expenses to Calcutta and Mr. Johnston's salary during my absence there, and also the disbursements made to Mr. Cheetham. I shall be glad to hear from you, by return, if convenient.

I am, S i r ,

Your obedient servant,

*John Houston*
