30th November, 1925.

My Lord,

Mr. Scott has unfortunately been laid up at home with a chill for the last few days, and in his absence your letter of the 27th instant has been opened and shewn to Sir Thomas Storey, the Deputy Chairman.

Sir Thomas desires me to thank you heartily for the trouble you have so kindly taken in arranging for a berth on the "RAWALPINDI" to be provided for Mr. Cheetham, a Senior Ship Surveyor to the Society, who has been instructed to proceed to Bombay for the purpose of joining the Society's local Surveyor in the survey of the repairs to the steamer "TAIREA".

We have seen Mr. Hamilton, the Secretary of the British India Co., and find that all arrangements have been made for Mr. Cheetham's passage, and he is expected in London tomorrow with a view to conferring with the Society's Chief Ship Surveyor in regard to the case of this vessel, and that of the steamer "TAKLIWA".

Yours faithfully,

Assistant to the Secretary.

The Rt. Hon. Viscount Inchcape,

G.C.S.I., G.C.M.G., K.C.I.E.
