ANSR

Dear Sirs,

'TAIREA'.

Deep Oil Fuel Bunkers.

The above vessel will shortly enter dry dock for the purpose of having repairs done to strained rivetting in the deep oil fuel bunkers.

We shall be glad to know whether in the light of later experience you would recommend the fitting of additional stiffening.

We should be obliged if you could let us have your earliest possible decision, as we wish to post to India a plan showing any such additional stiffening.

Yours faithfully,
for BARCLAY, CURLE & COMPANY, LIMITED,

GB/CM.
