LLOYD'S,

Dear Sir,

With reference to your call here in order to inform the Viscount Inchcape that should he desire it the Committee of Lloyd's would be prepared to send out to Bombay a special Surveyor to supervise the repairs to the s.s. "TAIREA" & "TAKLIWA", I am instructed by his Lordship to thank your Committee for this considerate offer but to say that, as you are satisfied that your Surveyor presently in Bombay is capable of seeing the work done properly, he does not think you should incur the expense of sending out a special man for the work of supervision.

Yours faithfully,

D. M. [Signature]
Secretary.
