GLASGOW,

3rd July, 1924.

R. D. CAIRNS,

Messrs. Barclay, Curle & Co., Ltd. attend on board the S.S.
"TAKLIWA" on the 1st July, 1924, for the purpose of witnessing
tests carried out on the MacLachlan Automatic Boat Davits.

The davits were subjected to a test of a weight
equivalent to the fully equipped boat plus 10% overload together
with a surging test.

These tests were carried out with satisfactory
results.
