The Secretary,

LONDON.

Sir,

I am in receipt of your letter of the 12th instant and 31st ultimo, in connection with the recent launching of the Steamer "DYNAMO" Messrs R. Williamson & Son's No. 230, and in reply beg to state that the 1st Entry Report together with all the correspondence relating to the launching incident, were forwarded to London on the 1st instant, the same day as your letter of the 31st ultimo came to hand, and I concluded that as they contained a full statement of all the facts of the case, any further reply was unnecessary. As I have not received any additional communications from the Builders, there is nothing to add to the information already forwarded, which expressed my views on the matter.

I am, Sir,

Yours faithfully.
