March 10th 1920

Baltimore, Md.

This is to Certify that I have  
Surveyed the Boiler<sup>s</sup> and Machinery of the S.S. "Clarence C. Morse"  
of Alexandria, Va during erection and installation  
and that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report stating that all  
recommendations made by me in connection therewith have  
been carried out to my satisfaction, and that I have  
Recommended that the record of H.C. forced draught, electric  
light fitted for the burning of oil fuel at P above 150 degrees  
be made in the Register Book in the case of this vessel.

(Signed) John. M. Sheriff *David Villar*  
Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
