4 Plans

Dear Sir,

We are sending to you under separate cover for your approval amended plans, in duplicate, of crankshaft and shafting proposed by Messrs. N.V. Werkspoor of this Port for N.V. Wilton-Fyenoord's Yard no. 669.

At the request of the Owners the following amendments have been made:-

The number of coupling bolts has been reduced from 8 to 6 and further the taper end of the tailshaft and key have been amended.

Will you be good enough to return one copy of each of the plans to this office when dealt with.

We are, Dear Sir,

Yours faithfully,

The Secretary,
London.
