20th January, 1921.

Dear Sirs,

A.

I am in receipt of your letter of the 19th instant, confirming your telegram of the same date respecting the payment of the fees for the survey during construction of the boilers of the Steamer "WAR FIG", but have not yet received the usual advice on A/cl. of the payment of the amount into Bank.

I would remind you that the amount received for the survey of the boilers is due to the Glasgow account, and it is concluded that the usual advice has been sent to the Glasgow Office intimating that the amount in question has been placed to the credit of their account.

The advice to this Office on A/c 2 to this effect has also not yet been received here.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

NEWPORT, Mon.

Secretary.
