14th March, 1939.

Dear Sirs,

E.

I am returning to you under separate cover two copies of the amended plan, advised in your letter of the 3rd instant, of General Pumping Arrangement proposed for Messrs. Burmeister & Wain's Yard No.646, and have to inform you that this plan will be approved provided the arrangements be as shown and amended thereon and the remaining requirements of Sections 20 and 34 of the Rules (1938-9) be complied with so far as they are applicable.

It is noted that plans of scupper arrangement and air and overflow arrangement will be submitted later, and I have to point out that these details have not been dealt with on the present plan.

The previously approved plan of general pumping arrangement has been cancelled.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
COPENHAGEN.
