The Secretary,
Lloyds' Register of Shipping,
71, Fenchurch St., E.C.3.

Dear Sir,

Blue Star Ship.
Burmeister & Wain's No.646. Harlands No.15189.

We have pleasure in enclosing herewith three blueprints from our drawing 3977.B. showing details of scantlings and pressure parts for Clarkson Boiler type BATOG/775, which is being manufactured by Messrs. Harland & Wolff, under licence from us, at their Belfast yard.

Although this boiler is an exact repeat of the Harland & Wolff Blue Star Ships, (their yard Nos.1016/7) we shall be glad to have an approved copy of drg.3977.B. returned to this office - the other two prints being for your own records, similarly.

Your approval of the original drawing was given in your letter of the 2nd. July 1938, under reference Nos.1016/7.

We shall be glad to have your confirmation that this matter is in order.

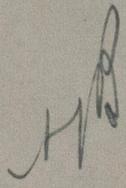

Yours faithfully,
For THE CLARKSON THIMBLE TUBE BOILER CO., LTD.
