3rd March, 1939.

Dear Sirs,

E.

With reference to the letters, dated 23rd ultimo, addressed to you by Messrs. Harland & Wolff, Ltd., copies of which you have transmitted to this Office, relating to Orders placed with The Clarkson Thimble Boiler Co., for a complete set of thimble tubes and three dished end plates for a Clarkson Waste Heat Boiler, Harland & Wolff's No.15189, I shall be glad if you will kindly ascertain and let me know the Builders' name and Yard number of the vessel for which this boiler is intended.

It is thought that this case refers to Messrs. Burmeister & Wain's Yard No.646, building for the Blue Star Line, but we wish to receive confirmation on this point.

Thanking you in anticipation,

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
BELFAST.
