Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

8th June, 1938.

Dear Sirs,

M.

I have to acknowledge the receipt of Mr. Hodgson's letter of the 7th instant respecting Messrs. Burmeister & Wain's Yard No. 646, and with regard thereto I have to inform you that no plan of rudder subsequent to that approved on the 10th March of this year (a copy of which was forwarded to you) has been submitted by Messrs. Harland & Wolff Ltd. for their Yard Nos. 1016/7.

The scantlings and arrangements, also speed, shown on the above plan are the same as those of a number of sister ships built by Messrs. Harland & Wolff for the same Owners and extending over a number of years back. No calculations were therefore made in the case of Nos. 1016/7.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
COPENHAGEN.

Secretary.
