Dear Sir,

Reverting to our letter of the 11th instant and to yours of the 10th instant regarding an insulated motor ship Yard No. 646 to be built by Messrs. Burmeister & Wain for the Blue Star Line, we beg to advise you that we have today been informed by a representative of the Owners that this vessel will be a sister to the two ships just ordered from Messrs. Harland & Wolff Ltd. Belfast, plans for which have been approved in the London Office.

We anticipate that the plans for Messrs. Burmeister & Wain's No. 646 will be submitted to this office in the course of the next few days, and in the circumstances we shall be obliged if you will kindly forward to this office as early as possible copies of the plans which have been approved for the sister vessels to be built at Messrs. Harland & Wolffs.
