Lloyd's Register of Shipping.

Port

ALEXANDRIA

22nd. February, 1946.

This is to Certify that I have

Surveyed the Boilers and Machinery ^{externally} of the S.S. "OLIGARCH"
6894 tons gross of London, afloat, on the 18th. to 22nd. February, 1946 on account of the vessel proceeding to Suez in ballast for scuttling

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction, and that I have Recommended that the record of Machinery Class

be ~~retained~~ ^{made} in the Register Book in the case of this vessel, subject to the vessel proceeding in favourable weather.

H. G. Jones

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
