E. Dear Sirs,

I return herewith two sets of the plans forwarded with your letter of the 19th instant of fuel, oil tanks proposed for the M.S. "HELLESUND" and have to acquaint you that these plans will be approved provided the tanks be constructed under the usual conditions of survey and testing.

It is concluded that an overflow pipe will be fitted at the top of each tank but I shall be glad to receive confirmation of this.

I am, Dear Sirs,

Yours faithfully,
