

Lloyd's Register of Shipping,

Norra Hamngatan 6,

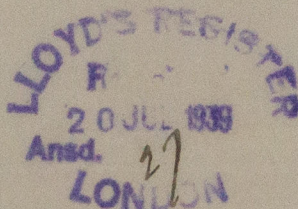

ENCLOSURE.

Gothenburg, 18th July, 1939.

The Secretary,

LONDON.

Dear Sir,

I beg to enclose herewith a plan, in duplicate, of thrust shaft, proposed by Messrs. Nydqvist & Holm A.-B., of Trollhättan, for the new motor proposed to be fitted in the Motorship "HELLESUND".

The diameter of the flywheel will be 960 mm. and the weight of same 545 kg.

For further particulars of the engine please see our letter dated 14th ultimo.

I am, Dear Sir,

Yours faithfully,

G. Knander
