

Lloyd's Register of Shipping.

Norra Hamngatan 6,

Gothenburg, 20th June, 1939.

The Secretary,

LONDON.

Dear Sir,

With reference to our letter dated the 14th instant together with enclosed translated copy of a letter received from Messrs. Nydqvist & Holm A/B, of Trollhättan, in regard to the classification of a motor engine of their standard type, I think it well to acquaint you that the Makers now state that this engine is intended for the steamer "HELLESUND", No.75851 in the Register Book.

I am, Dear Sir,

Yours faithfully,

J. Townsend
