Lloyd's Register of Shipping.

Port Oslo.

8th December 1939.

This is to Certify that I have

donkey
Surveyed the /Boiler and Machinery of the steel screw motor vessel * HELLESUND* 366 tons gross of Oslo, while lying afloat and standing on slipway at Moss installaing new machinery and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction, and that I have

Recommended that the record of LMC 11.39 N.E.

be made in the Register Book in the case of this vessel, when the ~~survey~~ has been completed.

Parts now examined:—

Pardi

Engineer Surbeyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
* While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances ever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
