LLOYD'S REGISTER
Received
23 JUN 1937
Ansd.
LONDON

Dear Sir,

Referring to your letter of the 18th instant respecting the steamer "HELLESUND" we beg to acquaint you that the plates in question at the survey were found to be in good condition and were not renewed now. The steam pipe was annealed and tested to 370 lbs. The electric light installation was examined, most of the cables and fittings were renewed. The installation was tested with satisfactory results.

We are, Dear Sir,

Yours faithfully

The Surveyors
