Lloyd's Register of Shipping,

18, Burlington Road,

Ipswich, 15th November 1921

Reference

Dear Sir, I have to inform you that the
Owner of the steamer "Burford Bridge"
has telegraphed to this office as follows:-

"Burford Bridge arriving Liverpool to-morrow
morning for fitting doubling to your approval.

This steamer was recently under Survey, & has
been classed 100A.1. with freeboard, in London
Report No 84664.

It is now proposed, ^{to fit} the doubling plate
to the sheathplate as asked for on the approved
plan, with a view to receiving the freeboard that
was originally assigned. (M. 23/9/21). Will you please
forward the plans + 1st entry report to me by
Messrs Penne, Ditcher & Newport, Shipbuilders,
Liverpool, so as to reach me on Thursday
morning, for the purpose of dealing with the case.

I am, Dear Sir,

Yours faithfully
A.E. Fairman

The Secretary
