Dear Sir,

S.S. "BURFORD BRIDGE".

(increase)
In reply to your letter stating the requirements for the freeboard of the above vessel, we have now seriously considered this matter, and we are willing to take the lesser freeboard to avoid the outlay of the doubling asked for, as we doubt if the cubic capacity of this vessel will justify the additional expense of the strengthening of the ship to obtain the maximum freeboards.

We are, however, proceeding with the brackets under deck, as required, in order to obtain 100 A.1. Class. We have also given Messrs. Rennie Ritchie & Newport Shipbuilding Co. Ltd. instructions to supply the additional plans asked for, and trust you will grant us freeboard certificate with the least possible delay, as we anticipated being able to sail the vessel last Saturday.

Yours faithfully,

For and on behalf of
ONSLOW STEAMSHIP COMPANY LIMITED.
