27th September, 1921.

Dear Sir,

M.

With reference to the S.S. "BURFORD BRIDGE" (Ex-German steamer "EIKUNDASUND") I have to inform you that Messrs. Brewer & Jaques representing the Owners of the vessel, have called at this Office and that the additional requirements to enable the vessel to be classed have been discussed with them. It is their intention to visit the Wivenhoe yard to-morrow morning at 10 a.m., with a view to discussing the additional requirements in detail, and they expressed the desire that you should be present at the conference.

I accordingly wired you this afternoon as follows:-

"STEAMER BURFORD BRIDGE PLEASE ARRANGE MEET MESSRS BREWER AND
"JAQUES WIVENHOE TOMORROW WEDNESDAY MORNING TEN DISCUSS
"ADDITIONAL STRENGTHENING TAKE APPROVED PLANS WITH YOU",

and I shall be glad to hear the result of the discussion in due course.

I am, Dear Sir,
Yours faithfully,

Mr. A. E. Farminer,

IPSWICH.
